Reminders

- MADD Evening Performance
  Thursday Nov 5, 7pm in the MPC - see flyer on page 14.
- From Week 4, Year 11 2015 has commenced Year 12 2016 studies - see information on early finish times on page 3.
- Year 10 students must ensure their Work Experience placements for week 9 of this term are organised - see the Careers Adviser for help if required. Parents and caregivers please follow through with your daughters on this matter; your support is appreciated.
- Years 7 & 8 are working on Learning Presentations - see Mr Anderson’s report for more information.
- All excursion notes are available for download on the school website

Congratulations

- Caltex All Rounder recipient for 2015 Alyssa Graf, and ADF Long Tan Leadership Awardee Alison Cooper. Both these prestigious prizes were announced at the Year 12 Graduation in the last week of Term 3.
- P&C Practical Subjects Awardees:
  Eva Baxter - English Ext 2;
  Angela Chung - Hospitality;
  Alison Cooper - Music;
  Vanessa Falzon - Drama;
  Antonella Gonzalez - Visual Arts;
  Alyssa Graf - Textiles;
  Emma Mitchell - Business Services;
  and
  Najmi Jaber - Society & Culture.
- Chenhui Zhao in Year 10 who is the 2016-2017 Cantabrian scholarship recipient.
- To students who performed outstandingly in Maths and Science competitions, see pages 10 and 12.
- Sarah Veitch and Emma Gallagher of Year 7 and Coco Wang of Year 9 were awarded certificates of distinction for their efforts in the Science Competition.
- Coco Wang and Yanny Qiu (Year 9), Mandy Chen (Year 10) and Na Tian and WeiJia Liu of Year 11 all who received distinctions in the Mathematics competition.
- Keteya Weatherall and Kaya Tranter, Year 7, who have been selected for the 2015 UNSW Indigenous Science and Engineering Program.
- Shamee Dingwall and Jessie Simon-Fitzpatrick, Year 10, who performed brilliantly at the recent Regional Deadly Kids Awards.
- Congratulations Graduating class of 2015.
Thank You to:

- Cantabrian Association for the recent donation of two framed vintage CGHS Blazers, a framed copy of the original music for the school song, as well as a framed set of CGHS school badges from 1890, 1917, 1954, 1963 and 1964. These will be on display in the main school foyer.
- Students who gave outstanding support and commitment in the Year 12 Dance performance exams - Ivy Crago, Eliza and Tilly Goslett, Emily Grubisa (Year 10) and Grace Rached (Year 11).
- Local resident and ex-parent Tim Jurd for the great job he has done coordinating HSC Supervision.
- Cannabrians Lorna Stone, Norma Webb, Marion Malins, Merie Chalmers, Bev Land and Helen Bouquet who have all recently donated vintage china to the school.

Staff News

- Farewell to two valued members of our Office staff; Mrs Kerrin Jones who has transferred to Peakhurst South PS, and Mrs Karen Calvaruso who is moving to Queensland. Both Mrs Jones and Mrs Calvaruso have given years of dedicated service to our school. We wish you well in the future.
- Welcome to Mrs Anna Texeira who has joined our Office A staff this term.
- Welcome to Mr Bejan Safi, who is working with us for 3 days a week as a Youth Worker, (pictured above).
- We also welcome Ms Kim Gane, who is a new school counsellor working with our students on Mondays for the foreseeable future. Also we welcome Mr Shaun Mullin and Ms Meg Verboom who were both Masters Interns from Sydney University with us last term and who are now teaching with us as temporary staff, (pictured above).
- Ms Caitlin Jurd, Ms Lucy Chen and Ms Helen Eade, all ex-CGHS students now studying at university and working with us as School Learning Support Officers.

End of Year Reminders

- Please be advised on school policy in regard to attendance and expectations for the last weeks of the school year.
- For Years 7, 8, 9 and 11 it is normal school lessons up to FRIDAY 11.12.15.
- Year 10 have a different learning program from week 6-10, which includes Examinations, Crossroads program, AMOW program, Work experience and Australian Business Week program. All these details have been sent home in a letter to Year 10 parents, a copy of this is on the front page of the CGHS website.
- Monday 14.12.15 is Annual Recognition day for Years 7, 8, 9, 10, 11 from 10.00 - 1.00 - all students are expected to attend this, all parents are also welcome. Canteen is Open this Day
- Monday 14.12.15 years 7, 8, 9, 10 receive Semester 2 reports during period 4.
- Tuesday 15.12.15 is School Picnic day, the canteen is closed and it is expected that all students attend the Year Picnic, details of this goes home in a note and is available on the website over the next few weeks. Canteen is CLOSED on this day.
- Wednesday 16.12.15 is the last school day for students. 100 students are attending the Musical Madita on this day, any students at school will be supervised. Canteen is CLOSED on this day.
- Please contact us if you are unsure or need clarification about these expectations.

Sue.Holden@det.nsw.edu.au

From the Principal: Resource Allocation Model – GONSKI FUNDING

In 2015 CGHS received funding under the NSW Government new resource allocation Model. This money has been spent across the year to support students in the following areas:

1. Loading for Socio Economic factors, $6,000: Student Assistance, for families on centrelink payments unable to meet Subject fees, some excursions costs and some Sport costs.

2. Teacher Mental Health: Wages for Support $135,000

3. Additional wages for group work $16,000

4. Support for students with Low level Disability or those requiring support - $16,054.00: $135,000: Wages for Support Teacher Literacy and Mental Health (4 and 3 dep respectively) $25,000: Wages for support Teacher Numeracy $5,000: Wages for Senior Support $3,000: Speech Therapy support

5. Additional funds Transition $31,169: $15,000: Additional wages Support Teacher Mental Health (Extra days across the year)and support learning officers working with to support Year 7 students $16,000: 3 days a week for a youth Worker

In 2016 schools will receive additional funding to support their school’s operation and student learning needs. This includes the RAM base components for:

- A new per capita allocation
- Enhanced funding for professional learning
- Funding to meet the actual cost of gas and electricity in all schools.

When we have full details of this funding it will be discussed at the P&C, as well with staff so that final decision can be made for 2016. There are two parents representatives on the school Finance Committee as well who are part of these final decisions for each year. The school executive will continue to work with our school community to determine the best ways to use these resources to support student learning.

Sue Holden, Principal
SCHOOL UNIFORM 2016

Canterbury Girls is a proud uniform wearing school. This is in accordance with Department of Education and Communities policy and the wishes of the whole school community – students (represented by Student Representative Council and Prefects), parents and families (represented by the P&C), and staff. Wearing school uniform presents a positive public image to the community of our school. School uniform also fosters a safer school environment by enabling students to be easily identified. All students are expected to wear full school uniform every day.

SAFETY

- Jewellery is to be minimal and small in size
- In practical classrooms (science labs, food technology rooms, art rooms) enclosed leather style shoes must be worn.

The uniform supplier for our school is Lowes Campsie, Shop 36 Campsie Centre or via online ordering through Lowes at: www.Lowiess.com.au/CampusCategories.aspx?depid=228

Any family needing financial support to meet school uniform requirements should contact Office A, Mrs Heather Finnan our Administration Manager, for an application for the Student Assistance Scheme.

The school has a limited supply of uniform items. If the student is found to be wearing inappropriate clothing they may be asked to change.

JUNIOR (Years 7 - 10)

- Checked skirt/ Navy tailored trousers/ Navy tailored shorts
- Plain white blouse with school logo
- Navy jumper with blue stripe or plain navy jumper/ Navy polo Jumper/ School Logo
- White/ Black or navy socks or black or navy stockings
- Black leather shoes/ boots with flat heels

Additional items:
- School tie; navy tailored slacks; navy jacket; school blazer; plain navy cardigan or vest;
- Navy thick jacket with school logo, plain white, grey or black undershirt; white or navy veil

SENIOR (Years 11-12)

- Navy skirt /Navy tailored trousers/ Navy tailored shorts
- Sky blue blouse with school logo
- Navy jumper with blue stripe or plain navy jumper/ Navy polo Jumper/ School Logo
- White/ Black or navy socks or black or navy stockings
- Black leather shoes/ boots with flat heels

Additional items:
- School tie; navy tailored slacks; navy jacket; school blazer; plain navy cardigan or vest;
- Navy thick jacket with school logo, plain white, grey or black undershirt; white or navy veil

SPORT UNIFORM consists of:

- Navy shorts
- Polo shirt (transitioning from Current Yellow to Navy over next few years)
- Sports shoes
- Navy tracksuit with school logo
- Sport uniform may be worn on sport day (Wednesday) only. For PE lessons students are to bring their uniform and get changed at the beginning and end of class.
- Tights, skins, leggings and workout pants are not to be worn. If a student is doing dance for sport, they must wear navy school shorts over the top of the tights until sport commences.

Extreme Weather:

Additional outer layers of clothing such as jackets in cold weather can be worn as long as they are plain navy or black. In addition, in cold weather leggings under skirts is acceptable.
Aboriginal Education Programs
Jessie Simon-Fitzpatrick and Sharnie Dingwall gave outstanding vocal performances at the Deadly Kids Doing Well Awards at UTS in October. Both Jessie and Sharnie are getting a reputation as outstanding performers within the Sydney school community, and deserve every success. At this Ceremony, Marie Ilkonoum was recognised for her outstanding efforts as a member of the state Aboriginal Dance Company. Well done to Matel!

A reminder to parents that Mrs McCulland continues to support girls as Coordinator of the Aboriginal Student Support program, on Tuesdays, Week 8 and that she is able to assist parents with any issues they would like to raise.

Stage 4 Learning Presentations 2015
All Year 7 and Year 8 have been issued with information regarding their Learning Presentations for 2015. Normal lessons for Year 7 will stop for the day on Monday October 26 to enable Year 7 to develop their presentations; normal lessons will stop for Year 8 on Friday, 30 October to give Year 8 time to develop their presentations.

It is hoped as many Year 7 and Year 8 parents as possible will be a making a time to hear their daughter’s presentation at school. Presentations are one of the most positive and valuable activities on the school calendar, and I know all parents will love hearing their daughter reflecting on her achievements for 2015 and her learning goals for 2016.

Reports
One of the reasons Learning Presentations were introduced last year is that the school is seeking more innovative, student centred strategies for reporting student achievement. The school’s reports for Years 7-10 have evolved so that the focus is centred strategies for reporting student achievement. The school’s reports for Years 7-10 have evolved so that the focus is centred strategies for reporting student achievement.

In most cases, reports will not contain a teacher support with was in relation to leaving valuables unattended. Please reminding your daughter to NOT bring valuables to school, excursions, carnivals etc and to keep items such as phones, ipads, laptops on her person at all times.

As in the ‘real world’, if your daughter leaves valuables unattended, someone will likely take them, and there is nothing the school can do to retrieve the item. Great distress is invariably caused for both the student and her family if this happens. Please ask your daughter not to bring any valuable to school unless absolutely necessary.

The Police Youth Liaison Officer who supports our school is very much appreciated!

Personal Best 2015
This year, the school has implemented a Personal Best program for Years 7 to 10 for two terms during DEAR time. Personal Best enables students to develop an understanding of age relevant issues which can impact upon their performance and participation at school.

To complete this program, students need their digital device and an electronic work booklet in which to record their achievements for 2015 and her learning goals for 2016.

Reminders Regarding Ongoing Issues
The main issue I wanted to ask for all parent support with was in relation to leaving valuables unattended. Please reminding your daughter to NOT bring valuables to school, excursions, carnivals etc and to keep items such as phones, ipads, laptops on her person at all times.

The Police Youth Liaison Officer who supports our school address safety and security issues is Constable Jim Battalico who can be contacted at Ashfield Police Station – 9797 4099.

I also remind parents that tights are unacceptable uniform at any time, except on Wednesdays for Sport when worn under either a skirt or shorts. Tights alone are never permissible. Your support with adhering to the school’s Uniform Code is very much appreciated!

The SRC have asked students to bling a bra to highlight Breast Cancer Awareness Week 26-30 October. Girls have gathered glitter pens and ‘bling’ in hand to decorate their bras. Some students are supporting friends or family touched by cancer, others are helping to raise awareness and encourage regular breast checks and breast care.

Completed bra will be displayed in the II-BRA-ry.

The Exodus Foundation
Every year our school supports this local organisation by donating goods as part of their Christmas Hamper Appeal. OSHS families can donate the following:

- Canned or tinned food such as Tuna, Salmon, Sardines, Ham, Soups and Casseroles,
- Other canned goods such as Baked Beans, Spaghetti, Tinned Fruits, Lentils, Chick Peas.
- Drinks – Instant Coffee
- Gift Cards – $5 or $10 for supermarket retail stores.

(These are not given to those in need but are used to buy the freshest produce as required.)

Please donate generously.

IDeAtION 2015
Four Year 9 SRC reps (Ella, Stella, Lucy and Aimee) attended IDeAtION 2015 at the Powerhouse Museum, where the focus was on celebrating and defining Cultural Diversity. Workshops covered Religion, What makes an Australian Australian!, and Stereotyping. These sessions had expert lecturers and were also attended by journalists, providing broad ranging perspectives.

The day was attended by students from Government, Catholic and Private schools across Sydney. By raising awareness of culture and identifying wrongful stereotyping we can bring about change in our own school communities.

By Aimee Shanahan, Year 9

“Bling Your Bra”
The SRC have asked students to bling a bra to highlight Breast Cancer Awareness Week 26-30 October. Girls have gathered glitter pens and ‘bling’ in hand to decorate their bras. Some students are supporting friends or family touched by cancer, others are helping to raise awareness and encourage regular breast checks and breast care.

Completed bra will be displayed in the II-BRA-ry.

Social Inc Report
The Social inc group, under the guidance of our community volunteer Sam, has been busy having fun playing games (above) and showing their leadership skills planning ‘Say Hi Day’ for November 2nd. On ‘Say Hi Day’ we will be trying to set a record for keeping a giant beach ball suspended above ground on a sea of hands down on the Hockey Field at lunchtime.

Ms Burgess and Ms Fox

White Ribbon Program, 2015
White Ribbon Day is 25 November 2015. The SRC and Prefects will be undertaking activities on this day at school to recognise the important work White Ribbon does in promoting respect and safety for women.

A preview of the upcoming album for Kool Skools 2015:

The Power of Story

On Monday October 19 Gennie Nevinsin presented engaging, wise and thrilling stories to Year 7 and 8 students. Gennie is an actor who has appeared in many films (e.g. ‘Muriel’s Wedding’) and TV dramas, most recently ‘Packed To The Rafters’. Gennie’s telling of the story of The Wimecks by Max Lucado lead to a lively discussion on the meaning of the story and what kind of ending listeners expected. Gennie also demonstrated a fabulous story telling game called the Weaver and the Peddler. In this game students suggest 5 random objects, places, and characters to a volunteer student (The Weaver) who must tell a story including all the objects and then Peddle the story by adding more objects and characters suggested. Here is Hannah Veltch’s (7A) spontaneous story made (woven) in the game.

Small Beetle, Chicken, Potato, Venetian Mask, Fairy, Forest.

Once upon a time there lived a chicken. One day, this chicken decided to go for a walk through the forest. As he was walking through the pleasant forest, he met a fairy. This fairy in particular loved chickens so, she gave him a very special gift. The gift was the ability to mold, cut and shape any potato to look like anything the chicken wanted it to look like. The chicken was so grateful that the fairy gave him this amazing gift so he got to work straight away. After a few minutes he found a potato and he started to carve it into a miniature Venetian mask, after all who wouldn’t want to wear a miniature Venetian mask? The chicken was right because before long, a small beetle came flying by the chicken at work and asked if he could have the mask. The chicken was in such a good mood that day, so he gave it to him for free!

Hannah Veltch, 7A

English Tempest excursion

Year 12 Advanced English students demonstrated their dedication to the Barb by attending an excursion to The Tempest at Sydney Opera House days after their graduation. Shakespeare’s masterpiece about forgiveness and justice, set against the wondrous backdrop of a magical island and comic relief captivated the attention of all.
Australian Mathematics Competition 2015

The Australian Mathematics Competition (AMC) has been held annually in August since 1978 with many thousands of students across Australia presenting for the challenge. This is not a traditional “maths” exam where skills taught in class are routinely tested. Instead students are asked to solve 30 problems in 60 minutes. The easiest problems are very easy and all students should be able to attempt them. The problems get progressively more difficult until the end, when they are challenging to the most gifted student. Students of all standards will make progress and find a point of challenge. The AMC is a fun competition with many of the problems set in situations familiar to students and showing the relevance of mathematics in their everyday lives.

This year Canterbury Girls High School entered 82 students across the 3 levels offered (15 Year 7 and 8 girls for the Junior paper, 32 Year 9 and 10 girls for the Intermediate paper and 17 Year 11 girls for the Senior paper).

Again our CGHS students achieved wonderful results with 27% of the candidates receiving an Award of Distinction, and approximately 50% of students earning a Proficiency Certificate. The following students are to be congratulated on receiving the following awards:

- Distinction Certificates
  - Year 9: Coco Wang, Yanny Qiu
  - Year 10: Mandy Chen
  - Year 11: Xi Lin, Ho Tian, Wei Jia Liu

- Credit Certificate:
  - Year 7: Amy Choi, Isabella Rocher, Sofia Goulding
  - Year 8: Tran Nguyen
  - Year 9: Eustacia Salim, Lucy Melville, Valerie Dang, Chloe Beswick-Stott, Ela Reynolds
  - Year 10: Cuming Liu, Chemhui Zhao, Xu Zhou, Huynh Thuy Bao Nguyen

The Mathematics Faculty would like to congratulate all the students who gave themselves a personal challenge and entered the Australian Mathematics Competition irrespective of their final result. It is wonderful to receive an award, but it is equally important to expose yourself to a wide variety of mathematical experiences that stretch the brain and make you think in different ways. We would like to encourage more students from all ability levels to ‘have a go’ in 2016- you never know, you might just surprise yourself.

A personal thank you to Mr Sim who has organised and supervised this competition at CGHS for many years, and as this will be his last I would like to say congratulations to him on a job well done.

Ms Gibson, (HT Maths)

TAS - Year 11 Hospitality

Our Year 11 Hospitality students worked as a professional team to create the lovely dishes served to our outgoing Year 12 and their guests at their Graduation Function. Over two days the girls worked tirelessly and with enthusiasm to produce quality food that was enjoyed by all who attended.

Ms Ormanci and Ms Kastanias

Geography News

In Geography we were assigned a group assignment. As a group we had to research a particular natural disaster and present it in the form of a News Report. We thoroughly enjoyed this task as we were able to work with friends to create an informative video using technology. After using a few lessons in class to work on our script, we started to film the video, using green screens and Photo Booth on a Macbook. Then, edited it at home, and our group was ready to present. Overall we found this task enjoyable because it was different.

Neave, Nikita, Lara

Premier’s Sporting Challenge

Our class 8A won the 2015 Premiers’ Sporting Challenge. Our class worked as a team to increase the hours of physical activity we did each week to win the challenge. As a reward for our hard work, we had an incursion on the last day of term. We started off the day with an hour of netball related activities and games. After netball we had a 45 minute interactive seminar with 2 other schools. In the seminar we got to talk two Olympians, Jayme Richardson and Craig Stevens, about their eating and sporting habits. We had a really good time and it was such a great experience to talk to such accomplished Olympians.

Maya Wood-Thomas 8A, PSC Team Leader
Science Competition Report 2015

In 2015, a record number of Canterbury Girls High School students attempted the Science competition. The Science competition assesses students’ skills in the key scientific areas of:

- Interpreting data, including observing, measuring and interpreting diagrams, tables and graphs
- Applying data, including inferring, predicting and concluding and
- Higher order skills, including investigating, reasoning and problem solving

Congratulations must go to all students who participated in the Science Competition. They have all demonstrated a commitment to challenging themselves and striving for success in Science. Particular mention must be made of those students who achieved excellent results and were awarded certificates of merit, credit and distinction for their efforts. This year, three students, Sarah Vetch and Emma Gallagher of Year 7 and Coco Wang of Year 9 were awarded a certificate of distinction for their efforts. 8 students received a certificate of credit and 16 students received a certificate of merit. They were awarded to the following students:

- Year 7: Merit: Emma-Cate Lynny
  Credit: Olivia Scouller, Hannah Vetch, Tahlia Cairns, Michaela Carter and Hyeon Jin Choi
- Year 8: Merit: Mariam Bahamad, Christina Nguyen
  Credit: Kayla Fulcher, Belinda Carmona,
- Year 9: Merit: Jessica Chen
  Credit: Chloe Bestwick-Stott, Lucy Melville,
  and Ella Reynolds
- Year 10: Merit: Isobelle Cooper, Matilda Goslett,
  Nabilia Namira and Taylor Ngo
  Credit: Marina Costure Hill, Eliza Goslett, Grace Wei
  and Chenhui Zhao

Special thanks must go to Ms Samsa, without whose efforts and organisation the competition would not run.

National Youth Science Forum

Lucinda Dunstan has been selected to attend the National Youth Science Forum (NYSF) in January 2016. NYSF is one of Australia’s most outstanding programs targeted at inspiring our most capable young people with a passion for science and exposes young people to extraordinary experiences in university science labs.

This is a prestigious achievement, with only 400 students selected from the whole of Australia. Students are selected not just on their academic achievements, but also on other interests, and their social and communication skills. Congratulations to Lucinda and I hope that this is an inspiring, enriching and rewarding experience.

Mrs R Andrews, Head Teacher Science

CGHS Dance News

HSC Dance Success

Congratulations to three of our year 12 Dance students who each have received a ‘Call Back’ nomination for their achievement in the HSC Dance Practical Examination. Similar to ‘Art Express’ or ‘On Stage’, ‘Call Back’ is a program that showcases exemplary works from HSC Dance.

Students who achieve full marks for any component of their practical exam receive a nomination and if selected, will have the opportunity to perform their works at the Seymour Centre in February next year.

Congratulations to
- Morgan Poumako - Major Study Composition
- Natali Vranjkovic - Core Performance
- Alannah McCarthy - Core Composition

Schools Spectacular

Rehearsals are now underway for this year’s show which is entitled ‘This is Our World’. Our dance ensemble has been selected to perform in a featured contemporary dance segment alongside other schools.

The show runs from November 26th to 28th at Qantas Arena Stadium and tickets are now available through ticketek. The national broadcast of the show will be Saturday, 5th December 7-10pm on Channel Nine.

Best of luck to our School Spectacular Ensemble:
- Emily Grubisa, Tilly Goslett, Bella Cole
- Doyle, Ivy Crago, Franki Eastment, Emma Drayton,
- Georgia Kopwood, Maité McNamara, Evie Muir, Emma Lemonjane, Taylor Whereate.

What is MLC Tennis Hot Shots?
MLC Tennis Hot Shots is an exciting tennis program for kids aged 9 and under. Using smaller courts, racquets and low-compression balls, the program makes learning tennis easy for new players.

At the heart of MLC Tennis Hot Shots is a fundamental approach to learning. It’s called “learning through play” and is based on developing skills in real tennis situations. This program allows children to develop technically and tactically in a stimulating environment.

Library Homework and Tutor Support
The following local public libraries offer homework programs for students in Years 7 and 8 with a tutor covering all subjects:

ASHFIELD PUBLIC LIBRARY: every Wednesday in Term 4 from 3.30pm to 5.30pm.

LAKEMBLA LIBRARY (opposite the train station): every Monday from 4pm to 7pm.

CAMPsie LIBRARY: offers tutoring in all subjects from 4pm to 7pm Tuesday and Wednesday and 1pm to 4pm on Saturday. This library also offers specialised tutors for higher level studies in all subjects, particularly Maths and Physics through an on-line service to members of the library.

MARRICKVILLE LIBRARY: offers after hours tutoring from 4pm to 6pm.
- Mondays - English
- Tuesday - Maths
- Wednesday - Science
OCTOBER IS BREAST CANCER AWARENESS MONTH

9 in 10 women diagnosed with breast cancer do not have a family history.

All women aged 50-74 should have a breast screen every 2 years.

A mammogram can pick up breast cancers that can’t be seen or felt.

Takes only 20 minutes.

Over 150 locations in NSW.

Call 132050 to book your free mammogram.

breastscreen.nsw.gov.au

THIS OCTOBER REMEMBER TO HAVE YOUR SCREENING MAMMOGRAM

Remember to check the student calendar on the CGHS website for more school information, including major assessment items and excursion notes.

REMINISERS for families

Please ensure that if your address or phone number has been changed the school administration is informed. A Change of Contact Details Form can be collected from Office A.

Excursions: The school is more than happy for students to pay overnight excursions off across the year as long as a $50 deposit is paid prior to departure. One day excursions must be paid in full before departure.

Newsletter by email: All families will receive an SMS when the newsletter is available on the webpage. This comes out each month and issue dates are on the calendar on the website. The newsletter is emailed to all students as well. If you wish to have a hard copy your daughter must collect this from Office A.

School Calendar: Remember to check the student calendar on the CGHS website for excursion dates, upcoming events, rehearsal times and assessment items.
