Dear Parent/Carer,

Your daughter/ward has elected to participate in the following sport program:

**SPORT**: Ice Skating at Canterbury Olympic Ice Rink  
**LOCATION**: Phillips Ave, Canterbury NSW 2193  
**PHONE**: (02) 9789 4044  
**Website**: www.canterburyicerink.com.au  
**TIME**: Wednesday afternoon Sport  
**COST**: $7 per session

**Transport to and from the venue**: Students will walk and return to the venue accompanied by a teacher. If a student would like permission to leave from the venue to make their own way home, a note is required from a parent/carer.

**Uniform**

All girls are required to wear full school sports uniform. At the centre they will change into ice skating boots which are included in the entry price.

Students need to also bring the following items with them:

- Thick socks (no ankle socks) to prevent rubbing from the inside of the skates
- Warm clothes because the inside of the skating arena is quite cold.
- A bottle of drink

**Activities:**

Students participate in ice skating during the rinks public sessions. There are no lessons conducted. In agreeing for your daughter/ward to participate you need to consider her level of ice skating ability and experience, as this is not determined by the school or operators of Canterbury Olympic Ice Rink.

Ice-skating does have an element of danger to it, however all participants are required to wear protective gear whilst they are on the ice. As well as regular school rules, students must also adhere to any rules and procedures by the skating rink. Failure to do so will result in being removed from the ice.

A condition of entry to Canterbury Olympic Ice Rink is that all skaters skate at their own risk. The following statement is on the Canterbury Olympic Ice Rink website:

"With ice skating, skaters may fall over from time to time. Whilst most falls are harmless, there is always the possibility, as with any sport, that a fall may result in an injury. Skaters should wear protective helmets (which are available or bring their own cycling helmet). Skaters are also encouraged to wear Roller Blading elbow, knee pads and wrist guards to minimize injury."

Students must return the accompanying permission slip to the sports coordinator.

J. Delmas  
Sport Coordinator
SPORT and TRAVEL PERMISSION NOTE 2016

Return to sports coordinator before commencement of sport.

Consent to participate in Ice skating

I have read the information regarding participation in Ice Skating and give permission for my daughter/ward to enter and use the facilities at Canterbury Olympic Ice Rink during sport on Wednesdays.
