Are your children attending different schools?

Don't worry, School Stream caters for multiple schools from within the app itself. Jump between your children's schools by touching the school logo/name, or switch schools from the slide-in menu.

Choose which notifications you receive:

1. Open the School Stream app on your mobile device
2. From the slide-in menu, go to Settings
3. Under Edit/Alerts select My Schools and select your School to open the Notifications page
4. Toggle notifications on or off individually (e.g. Alerts, Events, Newsletters, etc.)
5. When you have finished, use the Back button to return to the Settings page, then select Done to return to your School
6. Return at any time to change the notifications you receive
