THE TAFE NSW ADVANTAGE

WHY CHOOSE US?

GET THE JOB YOU WANT

With our diverse range of courses, strong industry connections and approaches to learning that suit all needs, we will help you get the job you want.

YOU COME FIRST

TAFE NSW has been evolving and adapting to the community's training and education needs for over 130 years. We exist to create stand-out learner experiences and provide quality and personalised services to allow you to achieve your goals.

YOU ARE AN INDIVIDUAL

You're never just a number at TAFE NSW. Our small class sizes, student services and social facilities create an incredibly strong support network. We will always ensure you receive expert support in your area of interest.

QUALITY EDUCATION

We partner with employers to provide mentorships, internships, work placements and real world learning. Whatever your course, you will develop current, practical skills through both real and simulated work environments.

STRONG INDUSTRY CONNECTIONS

Our ambition is to respond to you and your career goals. With hundreds of partner organisations, and relationships with over 25,000 employers, we offer up-to-date industry insights and prime networking opportunities to help you develop relationships with industry. You will also discover an invaluable professional network among your teachers and fellow students.

EXCELLENT REPUTATION

Our teachers are experts. They have worked in their industry and are passionate about their field. We know they are the best at what they do, because that's what our graduates tell us. Teachers combine their expertise with a friendly, relaxed and supportive approach, so you can enjoy a comprehensive learning experience.

This Career Guide gives you a slice of what TAFE NSW has to offer. To get the full story, visit your local TAFE NSW or go online at TAFENSW.EDU.AU

6 REASONS TO CHOOSE TAFE NSW

- **BE JOB READY**
Gain real world skills and work experience.
- **BE EMPLOYED FASTER***
We have over 25,000 employer connections.

BE THE FUTURE BE DEGREE-QUALIFIED

TAFE NSW courses are focused on skills for the real world.

With a wide range of degrees and higher education courses, the future's looking unreal.

BE AMBITIOUS

Visit [tafensw.edu.au/degrees](https://www.tafensw.edu.au/degrees) to explore your options

PATHWAYS TO SUCCESS

CAREER FOCUSED TAFE NSW DEGREES

TAFE NSW degrees are developed in consultation with employers so you have the skills and knowledge you need for tomorrow's world. You will acquire and apply current knowledge in a professional context, in environments that mirror real-world and industry practices.

REAL-WORLD EXPERIENCE – career-focused and practical, our degrees include internships and work placements to enhance your employability.

MAKE CONNECTIONS – get a head start with our strong industry ties and job placement solutions.

NO ATAR – apply for entry based on your previous studies and experience, and enjoy our small class sizes, allowing for individual attention and group support.

Find out more at [tafensw.edu.au/degrees](https://www.tafensw.edu.au/degrees)

TAFE AT SCHOOL

The TAFE-delivered Vocational Education and Training program (TVET) allows Year 11 and 12 students to complete practical, work-related units from TAFE NSW courses as part of their Higher School Certificate (HSC). Options also include part-time School Based Apprenticeships and Traineeships (SBAT). TVET and SBAT courses may contribute to both your HSC and ATAR.

You can gain credit towards a qualification recognised by employers and vocational education and training providers everywhere.

Find out more at [tafensw.edu.au/tvet](https://www.tafensw.edu.au/tvet)

APPRENTICESHIPS AND TRAINEESHIPS

Apprenticeships and traineeships allow you to combine on-the-job training with structured study and skills development at TAFE NSW. You learn and work towards a nationally recognised qualification while employed in the industry.

Apprenticeships and traineeships are available at certificate levels across more than 500 occupations and range from traditional trades to sectors such as Business Administration and Real Estate. They are flexible and can be full-time, part-time or school-based.

We also offer a range of pre-apprenticeship and pre-traineeship courses to provide you with an introduction to the industry, along with basic skills and experience that will boost your career.

Find out more at [tafensw.edu.au/careers](https://www.tafensw.edu.au/careers)

UNI AND TAFE NSW

While you might choose to study a TAFE NSW degree, there is also a range of university pathway options available to you. We can also help you work towards achieving the academic entry requirements for your course and prepare you for university.

If you are a current university student, we also offer flexible study options to help you gain the practical skills and experience that employers are looking for.

BE IN THE KNOW

Jump online for the latest courses and details on how we can help you at [TAFENSW.EDU.AU](https://www.tafensw.edu.au)

TAFE DIGITAL

TAFE Digital is the largest online vocational education provider in Australia. As part of TAFE NSW, we offer flexible online study options to over 50,000 students in over 250 courses. Our courses are facilitated by dedicated, industry-experienced teachers who will support you in your learning journey, from start to finish.

The TAFE Digital Lab, which supports our innovative programs, tests the latest in multimedia and emerging technologies, including augmented, virtual, and mixed reality and simulation exercises, and applies these technologies in new course development, so you can practice hands-on skills digitally. The TAFE Digital learning platform, which underpins delivery of our programs, is powered by sophisticated analytics and artificial intelligence to provide enhanced student experiences. Go online to start studying whenever it suits you.

Find out more at [tafedigital.edu.au](https://www.tafedigital.edu.au)

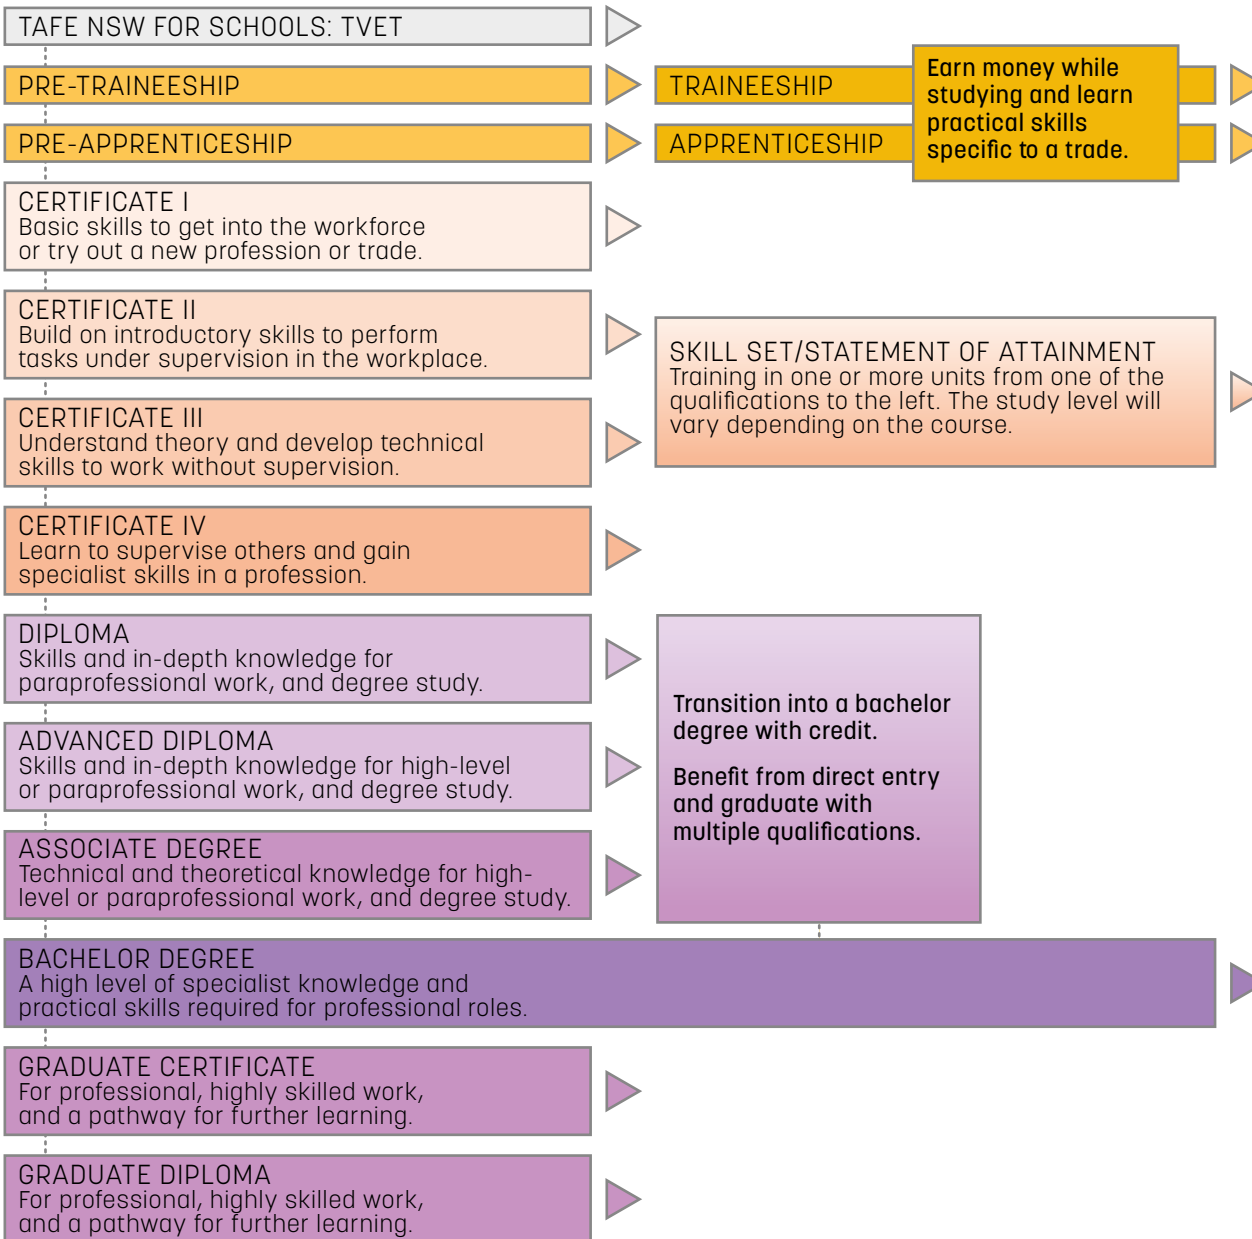

PATHWAYS TO SUCCESS

WHERE DO YOU WANT TO BE?

A TAFE NSW pathway is a great way to meet entry requirements and fast-track your career. Your pathway will depend on your skills and experience and, of course, your career goals. Explore the most popular entry points here and start planning your future.

CAREER

STUDENT SUPPORT SERVICES

ABORIGINAL STUDENT SUPPORT AND SERVICES

TAFE NSW provides a range of support services to assist you. Aboriginal staff can assist you with everything from enrolment to course selection. We can also give advice on applying for fee exemptions and scholarships, as well as provide mentoring to support you throughout your TAFE NSW journey.

ACCESSIBILITY AND DISABILITY SERVICES

TAFE NSW provides a range of accessibility and disability support services to assist you with your enrolment and learning, and to make your time at TAFE NSW as rewarding as possible.

PERSONAL COUNSELLING

TAFE NSW students are able to meet with a counsellor to discuss any study or personal matters, completely free of charge. Counsellors can also refer you to other legal, health or financial services.

VOCATIONAL COUNSELLING

Students can seek help from TAFE NSW counsellors with course and career choices, pathways and opportunities, as well as assistance with CV writing, job applications and interview skills.

LEARNING SUPPORT

TAFE NSW provides valuable learner support at our 'drop-in' or flexible learning centres, in small groups or one-to-one. You may also be able to access online support via YourTutor.

INTERNATIONAL STUDENTS

Coordinators can offer advice, support and referral services to assist you during your studies. They will help you to achieve your education goals and make your time in Australia rewarding and enjoyable.

Download our International Guide at studyintafe.edu.au/courses

SCHOLARSHIPS

TAFE NSW works with government, non-government and industry partners to develop and deliver scholarships for students who are experiencing financial, social or other barriers to study. For more information, visit tafensw.edu.au/scholarships

MULTICULTURAL SUPPORT

TAFE NSW guides and supports the vocational education and training needs of students from diverse communities. Specialist staff also provide targeted programs to meet the needs of students for whom English is not a first language.

VISA SKILLS ASSESSMENT SERVICE

TAFE NSW can assess your skills if you are applying for one of the following Australian visas through the Department of Home Affairs:

- Temporary Migration (457)
- Permanent Migration (OSAP)

Please refer to the Department of Home Affairs for details on visa application requirements.

AGRICULTURE, HORTICULTURE, ANIMAL CARE AND THE ENVIRONMENT

The consumption of the Earth's natural resources is at an all-time high. As our world becomes more populated and the demand on resources continues to grow, it becomes crucial to create liveable, sustainable and economically viable spaces - for people, plants and animals.

Turn your passion for the natural world into a rewarding career and shape a sustainable future for Australia. TAFE NSW is one of Australia's largest training providers of agriculture, animal care, land management and horticulture training. Thousands of employers and industry experts choose TAFE NSW for their training each year because we're passionate about quality, hands-on-training and want to help you reach your career ambitions. There's a huge variety of courses to choose from whether you are just starting out, are looking to take your next step, or want to make an exciting career change.

AUTOMOTIVE TRADES AND SERVICES

Staggering advances in technology and changing consumer trends are hallmarks of the automotive industry. For the workforce, that means new and exciting skills. With 18 million cars on Australian roads and the addition of almost half a million extra vehicles a year, the industry is revving up.

Whether it's repairing, tuning, selling, painting or trimming, TAFE NSW is the place to get your automotive career rolling. People passionate about the automotive industry enrol in courses with TAFE NSW each year because they know that employers trust our training and employ our graduates. We offer nationally recognised qualifications for every stage of your automotive career, whether you're starting as an apprentice or you're an industry veteran. We're passionate about quality, hands-on training and want to help you be your best.

WHY CHOOSE TAFE NSW?

Strong industry connections. Strong and dynamic links to leading organisations such as MTA-NSW, IAME, GMH, Toyota, Cummins, John Deere, Harley-Davidson Australia, I-Car and Yamaha.

Opens career doors. From introductory programs to school-based apprenticeships to advanced trade qualifications, our programs are all designed to improve your career.

Choice of programs. Explore your passion for all things automotive, from systems diagnostics and performance enhancement to customised paint refinishing and more.

State-of-the-art facilities. Specialist, purpose-built facilities are designed in consultation with the automotive industry so you learn tomorrow's skills using the latest technology and equipment.

Quality teachers. Experts in the automotive field, our teachers have a passion for delivering the relevant training to enhance your career.

PLENTY OF WORK

It is predicted that by 2020 there will be approximately

102,600

Motor Mechanics employed in Australia.

BE SKILLED WITH SHORT COURSES

We have a huge range of short courses including Statements of Attainment. These are always being developed and updated, and can give you everything from basic foundations to advanced specialised career skills. Explore **TAFENSW.EDU.AU** or call us on **131 601** for the latest.

AVIATION AND MARITIME

Whether you prefer to be on the seas, in the sky or staying grounded, careers in Aviation and Maritime are on the rise. Qualified employees are in demand and there is great scope for career advancement in a wide range of work environments. From pilots to cabin crew to deckhands to marine engineers, dynamic and exciting careers with the option to work internationally and travel the world await you.

TAFE NSW Aviation and Maritime courses are delivered by professionals who have the industry experience and connections to help you launch your career or take it higher. You will train in practical and interactive learning environments that include marine digital simulators and full-motion flight simulators. Whether your career will be on the ground, in the air or on the water, your training will be hands-on and designed with industry leaders for tomorrow's world. The Aviation and Maritime industries are truly international and play a large part in global business and management. Potential employers include airlines and shipping lines; airports, ports and terminals; aircraft and shipping manufacturers; tourism and logistics and freight companies.

WHY CHOOSE TAFE NSW?

Strong industry connections. Connections with Pacific Flight Services and Sydney Flight College ensure our training is focused on tomorrow's needs.

Quality teachers. Experienced in their fields with strong Aviation and Maritime industry connections, our teachers are passionate about delivering a relevant and real-world education.

State-of-the-art facilities. Apply your skills for real within interactive learning environments including simulated workplaces, and when you take 'field' trips on vessels as part of your course.

Opens career doors. Many of our job placements lead students straight into full-time work in Aviation and Maritime.

JOB OPPORTUNITIES

8,200

people employed as marine transport professionals in Australia.

HIGH FULL-TIME EMPLOYMENT RATES

78%

of professionals in the Aviation and Aerospace industry are employed full-time.

AVIATION

Whatever role you take, Aviation demands strong communication and organisational skills, and great judgement. Learn fundamental skills in communications, security and safety to begin your career in an entry-level position, or choose from courses to specialise

in important hands-on flight operations or ground operations and service. Whether you choose to work in civilian or military aviation your skills will be in demand, ensuring you have a career for the future.

IS IT RIGHT FOR YOU?

- Fascinated by airports and flying?
- Love to travel and enjoy helping others to travel, too?
- Can work under pressure?
- Have excellent organisational and communication skills?
- Are a critical thinker?

COURSES WE OFFER INCLUDE:

- Aviation
- Avionics
- Ground Operations and Service
- Aircraft Maintenance
- Cabin Crew
- Aviation Transport Protection
- Flight Instructor
- Commercial Pilot Licence

BUILDING, CONSTRUCTION AND PROPERTY

More than half the world's population live in cities. With the increase in urbanisation and continued growth in population, the development of our environment into liveable and sustainable spaces that will accommodate diverse and growing communities is vital.

TAFE NSW is one of Australia's largest providers of skilled-trade training, with thousands of employers choosing us to train their staff each year. We're passionate about quality, hands-on training and want to help you reach your career ambitions. There are countless career options within Building, Construction and Property. Choose from a variety of trades and disciplines and start at a level to suit you whether you are looking for an apprenticeship, are currently employed or looking to make a career change. A career in this area gives you the chance to design, innovate and create, using your skills to help build and shape Australia's future.

WHY CHOOSE TAFE NSW?

Recognised and respected. TAFE NSW has built its reputation on delivering trusted, industry aligned and nationally recognised qualifications for over 130 years.

State-of-the-art facilities. Purpose-built facilities designed to train you in real-world, all-weather settings. Specialist centres include stonemasonry, carpentry and joinery, glass and glazing.

Quality teachers. Experts in the Building, Construction and Property sectors, our teachers maintain dynamic relationships with industry and industry bodies.

Strong industry connections. Partnerships with major projects such as Barangaroo Skills Exchange, as well as peak industry bodies including the Master Builders Association, Housing Industry Association and Australian Property Institute.

Opens career doors. We ensure our graduates are industry-ready with qualifications aligned to NSW Fair Trading licensing and registration requirements and our work placements often lead students into full-time work.

AT A GLANCE

We offer over 100 courses across the building design, construction and property industries.

BUILDING DESIGN AND ARCHITECTURE

From dreaming big to seeing the final brick laid, studying a course in Building Design and Architecture can lead to an exciting and rewarding career working on infrastructure projects, commercial and industrial buildings or someone's dream home. Building designers work with architects and engineers to develop working

drawings and building plans for new constructions and renovations. Our courses can provide pathways to further study at university that will enable you to become an architect, or to go on to study for a TAFE NSW Bachelor of Design (Interior Design).

BUILDING, CONSTRUCTION AND PROPERTY

IS IT RIGHT FOR YOU?

- Are you creative and imaginative?
- Do you have an interest in design and the built environment?
- Are you a keen problem solver?
- Are you good at time management?
- Do you enjoy variety?

COURSES WE OFFER INCLUDE:

- Building Design
- Building Surveying
- Interior Design
- Surveying
- Autocad, ArchiCAD and 3D Revit

"You learn a lot on the job but you also learn a lot at TAFE. The basics underpin the skills and know-how to ensure you're able to communicate with other tradesmen and implement what you have learnt from TAFE NSW on the job."

JIM, TAFE NSW BUILDING & CARPENTRY GRADUATE AND OWNER OF QUALITY COUNTRY HOMES.

"TAFE NSW gave me skills and knowledge to go further, and have a shot at getting my own Builder's Licence."

MARK, CERTIFICATE IV IN BUILDING AND CONSTRUCTION (SITE MANAGEMENT)

BUILDING TRADES

With the current shortage of qualified tradespeople throughout Australia, there has never been a better time to get yourself a trade. A qualification in building will help you develop the skills and knowledge to manage building projects, including selecting contractors,

contract management, overseeing work quality and liaising with clients. Learning a trade and earning your trade contractor license can give you the freedom to set up your own business or lead to a career in project management.

IS IT RIGHT FOR YOU?

- Are you good at planning and organising?
- Do you love manual work?
- Are you able to interpret plans?
- Do you enjoy technical activities?
- Do you have good communications skills?
- Have good hand-eye coordination?
- Is variety something you value?

BUSINESS AND FINANCE

From the point of conception to the point of sale, the varied roles of Business and Finance underpin one of the largest sectors of the Australian economy. The skills you develop and finetune will open countless career doors, and can be applied across all sectors.

Whether you are interested in small or large enterprises, specialist work or general management roles, TAFE NSW offers a range of Business and Finance qualifications that will provide insight into organisational productivity and business success. Focus your skills on Accounting and Finance, Human Resources, Training and Assessment, Marketing and Communications, or Sales and Retail. Or learn to lead and manage across all areas to ensure your business is organised for ongoing success. Whatever your passion or direction in this challenging and rewarding sector, your knowledge will be transferrable across multiple industries ensuring your career progresses.

WHY CHOOSE TAFE NSW?

Strong industry connections. Affiliations with the Institute of Public Accountants (IPA), the Financial Planning Association (FPA) and Certified Practising Accountants (CPA) Australia, Australian Marketing Institute (AMI), Australian Institute of Project Management (AIPM), Price Waterhouse Coopers (PwC). As well as retail giants such as David Jones, Myer, Mimco, Freedom, Ikea, Witchery and Country Road.

Opens career doors. Specialist qualifications and our strong industry networks mean many work placements lead students into full-time jobs.

Strong study pathways. TAFE NSW offers a range of Business and Finance related degree programs. Arrangements with universities also create pathways to other degree-level studies, and the Australian Graduate Management Consortium offers you a pathway to masters-level studies.

Study to suit you. Flexible course delivery is available for many courses: full-time, part-time, or online so you can fit study around your commitments and lifestyle.

Global prospects. Gain technical knowledge, creative-thinking and specialised skills that are highly sought after by employers around the world. International study tours mean you may also have the opportunity to travel as part of your course.

ENGINEERING AND ELECTROTECHNOLOGY

Sustainability, innovation, skills shortages, robotics, the digital age – there has never been a more exciting time to work in Engineering and Electrotechnology. It's a sector that's always advancing, so take the opportunity to build a brighter future for yourself and the planet.

You'll learn with specialist simulators, industry-standard software and a range of renewable-energy training facilities. You might even work on our mini-hydroelectric system or wind-powered generator. Our learning environments are as industry-realistic as possible. TAFE NSW study can lead you to a wide range of industries including aviation, construction, manufacturing or robotics. Whatever you do, you'll be hands-on, work with different technologies, and have different challenges and rewards every day.

WHY CHOOSE TAFE NSW?

Strong industry connections. Associate membership of Engineers Australia may be available to advanced diploma graduates who complete work experience. Evolving industry partnerships always keep training relevant and up-to-date.

Job-ready and sustainable focus. From sustainable technologies to communication and CAD skills, your learning is always focused on what is needed in tomorrow's workplace.

Pathways to degrees. Your diploma or advanced diploma may be recognised as credit towards a Bachelor of Engineering.

Study an associate degree. Study the TAFE NSW Associate Degree of Applied Engineering (Renewable Energy Technologies) and become a renewable energy specialist.

State-of-the-art facilities. Our workshops and studios are set up just like you'll find in your career, with fabrication workshops, CAD studios, 3D printers and fully equipped labs.

WELL-PAID JOB

An average weekly wage for a full-time Engineering Manager is

\$2,355

AT A GLANCE

STUDY AREAS

Electrotechnology

Engineering

Air-Conditioning and Refrigeration

ELECTROTECHNOLOGY

The digital age is creating an unprecedented demand for electricians specialising in telecommunications, instrumentation, security and electronic control systems, and information technology. Electrical trades and electronics influence almost every aspect of daily life. Studying at TAFE NSW means you'll always work

closely with technology to maintain, repair and create custom solutions. You can even connect your studies to a degree at a university, or study the TAFE NSW Associate Degree of Applied Engineering (Renewable Energy Technologies).

IS IT RIGHT FOR YOU?

- Do you enjoy getting technical?
- Do you like detailed work and using your hands?
- Do you want to maintain, repair and create custom solutions?
- Are you good at maths?

COURSES WE OFFER INCLUDE:

- Instrumentation
- Electrical Fitting
- Electrical trades
- Electronics
- Power Systems

CAREER OPPORTUNITIES

- Electrician (Licensed)
- Instrumentation and Control Technician
- Electronics and Communications Technician
- Electrical Fitter
- Machine Repair Tradesperson
- Switchgear and Control Gear Tradesperson
- Security System Installer

BASIC SKILLS TO TOPNOTCH CAREERS

Certificate III in Electrotechnology Electrician (available as an apprenticeship) (UEE30811)

A career as an Electrician or Electrical Mechanic

Diploma of Electrical Engineering (UEE50411)

Engineering Technologist or a range of related electrical engineering careers

TAFE NSW Associate Degree of Applied Engineering (Renewable Energy Technologies) (HE20502)

Specialist and Engineer careers in renewable and sustainable energy

TAFE NSW Bachelor of Business (HE20514)

Take your career to a higher level. This degree allows you to finetune commerce and management skills to your sector.

HAIRDRESSING AND BEAUTY

If you want a profession where you can help people look and feel their best, unleash your creative capabilities and gain skills you can take anywhere in the world, study Hairdressing and Beauty with TAFE NSW.

Learn from expert, industry-experienced teachers, graduate with confidence, and be equipped to build your career as a hair or beauty professional. Whether you have your heart set on working in or opening your own barber shop or upscale beauty or hair salon, we ensure you learn the latest techniques while gaining practical skills and hands-on experience in our purpose-built learning facilities. TAFE NSW has nationally recognised qualifications for every stage of your career, and we are passionate about delivering quality training that employers trust.

JOB OPPORTUNITIES

The industry is expected to have

29,000

job openings up until 2020.

Source: joboutlook.gov.au

WHY CHOOSE TAFE NSW?

Strong industry connections. We work with Trades Recognition Australia (TRA) and Vocational Training and Review Panel (VTRP) in the recognition of international qualifications in Australia, as well as through our partnerships with beauty icons.

Global prospects. Hairdressing and Beauty offers you transferable skills that you can take anywhere in the world.

Real experience for the real world. Train in our specialist hair salons on real clients. You can also build your portfolio and showcase your styles in fashion parades, exhibitions and photo displays.

Opens career doors. Many of our work placements lead students to full-time jobs.

“Winning gold at WorldSkills was super exciting. My teacher encouraged me to go in the competition and I definitely wouldn’t have done it unless she pushed me the whole way. Later this year I will be going into the international competition.”

HEALTH AND FITNESS

"I'm really looking forward to applying the skills that I have learnt on this course to my first job. Knowing what I know now, I feel confident to start work as an Enrolled Nurse. The experience from my teachers was so rich and they were so helpful and supportive along the way. TAFE NSW has set me up with the confidence, skills and practical experience, and now I'm excited to start gathering more specialised experience in the fields that I'm interested in."

SAMANTHA, DIPLOMA OF NURSING

NUTRITION

The Nutrition sector continues to grow as people become more aware of the impact of diet and lifestyle on wellbeing and health. An ever-evolving combination of disciplines – which include biology, chemistry and psychology – makes Nutrition careers unique and fascinating.

If you are passionate about supporting healthy eating with motivational and scientific advice, boost your career with a Nutrition qualification designed in partnership with employers and delivered by TAFE NSW.

IS IT RIGHT FOR YOU?

- Are you a 'people' person?
- Are you interested in health and wellbeing?
- Would you like to help people live their best life?

INFORMATION AND COMMUNICATIONS TECHNOLOGY

Dynamic and progressive, the Information and Communications Technology (ICT) industry continues to evolve and excite. The need for technical support and creative solutions paves the way for ongoing innovation and growth, with skilled ICT professionals remaining in high demand.

TAFE NSW is a leading provider of training for the ICT sector. Choose from a wide range of courses and career paths across multiple industries with specialisations matched to current and developing technologies. Our digital and IT students learn skills applied to current and beta technology that's in demand in the workforce, from cloud-based technology to mobile, and big data analytics to social technologies.

Whether you are interested in a technical support role, the creation of systems and software, cyber-security, or the design of games and websites, ICT is an exciting career choice and an expanding industry critical to Australia's future.

WHY CHOOSE TAFE NSW?

Opens career doors. Specialised skills include the creative thinking and technical knowledge prized by employers.

Strong industry connections. Many networking opportunities with companies such as Cisco, Microsoft, SAP Australia, VMware and EMC.

State-of-the-art facilities. At TAFE NSW, you will go beyond the traditional classroom, and step into an advanced online world of ICT learning.

Hands-on education. High-tech computer laboratories include a pull-apart workshop for hardware testing, networking tasks, and virus research and removal.

Quality teachers. Experts in their field and up-to-date with the latest industry technology, our teachers are passionate industry insiders.

EMPLOYMENT PROSPECTS

There will be a need for

100,000

**more workers in the
IT sector by 2020.**

Source: Australian Computer Society Report, 2015

INFORMATION AND COMMUNICATIONS TECHNOLOGY

The Australian Government aims to be among the world's leading digital economies by 2020, meaning ICT employment prospects have never been better. Software publishing and games design alone are due to grow by 75% in the next 10 years. An ICT course with

TAFE NSW can help you begin, develop or reach the top of your career. From certificate through diploma to degree, TAFE NSW is your ICT training centre of excellence.

IS IT RIGHT FOR YOU?

- Do you enjoy working with technology and supporting others?
- Do you enjoy problem solving?
- Are you willing to continually update your skills?
- Are you a team player?
- Do you have good analytical skills?
- Are you digitally creative?
- Do you enjoy practical, hands-on technical learning?

COURSES WE OFFER INCLUDE:

- 3D Art and Animation
- Cyber Security
- Digital and Interactive Media

LIBRARY AND INFORMATION SERVICES

People have always collected, catalogued and treasured information and data. In today's digital, information-rich world, Library and Information Services professionals play an increasingly vital role by ensuring equal access to resources, providing spaces for people to connect and share information, and instilling a love of learning.

Sharing knowledge makes us all grow together. Studying Library and Information Services can lead to a career in both the public and private sectors, including business, media, government, museums, galleries and in education institutions.

TAFE NSW teachers and staff have specialist experience across a range of library operations including cataloguing, database management, digitisation, web design, collection development, and reader advisory and reference services. Our industry-placement options are supported by hundreds of libraries and facilities so you can put your learning into practice.

WHY CHOOSE TAFE NSW?

Opens career doors. Supported by hundreds of NSW libraries our industry placement options help you put your learning into practice. Many of our work placements lead students into full-time work.

Recognised and respected. TAFE NSW has built its reputation on delivering trusted, industry aligned and nationally accredited courses.

Strong industry connections. Our industry-experienced teachers deliver qualifications in line with current and emerging library and information science practices, including our diploma which is accredited by the Australian Library and Information Association (ALIA).

Pathways to degrees. You may be able to fast-track your library or information services studies and gain credit towards a degree at Charles Sturt University, UTS or Australian Catholic University.

STRONG SALARY

Archivists, Curators and Records Managers can earn an average weekly income of

\$1,595

LOGISTICS AND WAREHOUSING

Ensuring the right thing is in the right place at the right time is big business. Logistics is an integral part of Australia's supply chain and an important driver of economic growth, employing more than 1.2 million people across warehousing, logistics, storage, handling and distribution.

In the digital age, this growth industry continues to respond to challenges to increase efficiency, from small business to iconic retailers to large-scale manufacturers and everything in between. Coordinated logistics, supply-chain management and warehousing solutions are integral to any organisation trying to reduce costs and run as efficiently as possible. Get your career moving with a course in Logistics and Warehousing. Roles for TAFE NSW graduates include logistics manager, operations manager, customs broker, warehouse manager and storeperson. This sector includes a wide range of opportunities because it embraces every other sector and organisation you can imagine. You could have a career in the public sector – including customs – or in the private sector in importing and exporting, wholesaling or transportation.

FULL-TIME OPPORTUNITIES

Supply and Distribution Managers have a very high proportion of full-time jobs.

96%

Source: joboutlook.gov.au

WHY CHOOSE TAFE NSW?

State-of-the-art facilities. Industry-realistic training facilities include simulated warehouse and logistics sites and industry experienced teachers ensure you will have the confidence and skills to be successful in this exciting industry.

Pathways to degrees. Many higher-level courses offer credit transfer so you can fast-track your degree after you finish your course. Some courses can also lead to higher education in international business and management.

Fast-track your career. If you are already working in Logistics and Warehousing and want to build on your career, you can apply for Recognition of Prior Learning (RPL) so you don't have to study what you already know.

Strong industry connections. Networks and job placements lead students into full-time work meaning you could get a job before you even graduate.

LOGISTICS AND WAREHOUSING

"I always felt motivated and it was the people who helped me with that. My teachers and fellow students really helped me develop leadership and communications skills."

SERGEI, DIPLOMA OF LOGISTICS

LOGISTICS AND WAREHOUSING

As a worker in this crucial link industry, you will become an integral part of the storage, transportation and exchange of goods that occurs in just about every organisation. When you gain the latest, industry-connected skills in Logistics and Warehouse from TAFE NSW, a huge range of career opportunities will open up.

You may also be able to gain credit to a related degree. Designed and delivered in partnership with the Logistics and Warehousing industry, our courses ensure your career is in the best possible hands.

PREPARATION FOR WORK AND FURTHER STUDY

"We're constantly keeping on top of changing technology and the benchmark for what people have to know and be able to do to get into the workforce has lifted. We need to prepare students for what they will face out in the job market, so when expectations are raised by employers, we meet and exceed those expectations."
