

15 June 2020

Dear parents and carers,

I thank you for your participation in the survey I sent out recently regarding feedback for the school in preparation for the school plan. If you have not yet had time to do this, please find the link here: <https://forms.gle/mjskadqSC8ZtHQjQ9>

Many of you would have seen in the media that restrictions are easing both in society and in schools. We have been working through DoE and Health regulations and would like to give you some additional information regarding what will be happening in the school. The following will now be able to return into our school routines:

Allowed as of today:

- *Activities related to external counselling, NDIS provided services, family support services etc where external workers may need to work with students in the school
- *Year meetings limited to approximately 15 minutes
- *Choirs (within the school)
- *External tutors coming into school for year 12 subjects (e.g. music tutors)
- *Face to face TAFE attendance

Starting in Term 3:

- *Day field trips to outdoor locations
- *Inter-school competitions for sport, debating, etc.
- *All school sport and activities including competitions
- *Work experience for students
- *SRE

In Term 3 the Department of Education expect to make an announcement related to camps, excursions, graduation ceremonies and other school based activities that involve large numbers of adults.

Strict hygiene and distancing requirements are still in place and as such, we will need to continue limiting the amount of adults coming into the school. As such, I appreciate your understanding in continuing to communicate with the school via phone and email at present. We will let you know as soon as these restrictions relax.

Please do not hesitate to get in touch if you have any further questions.

Kind regards,

Ms Belinda Conway
Principal
